The Very Life of Life,

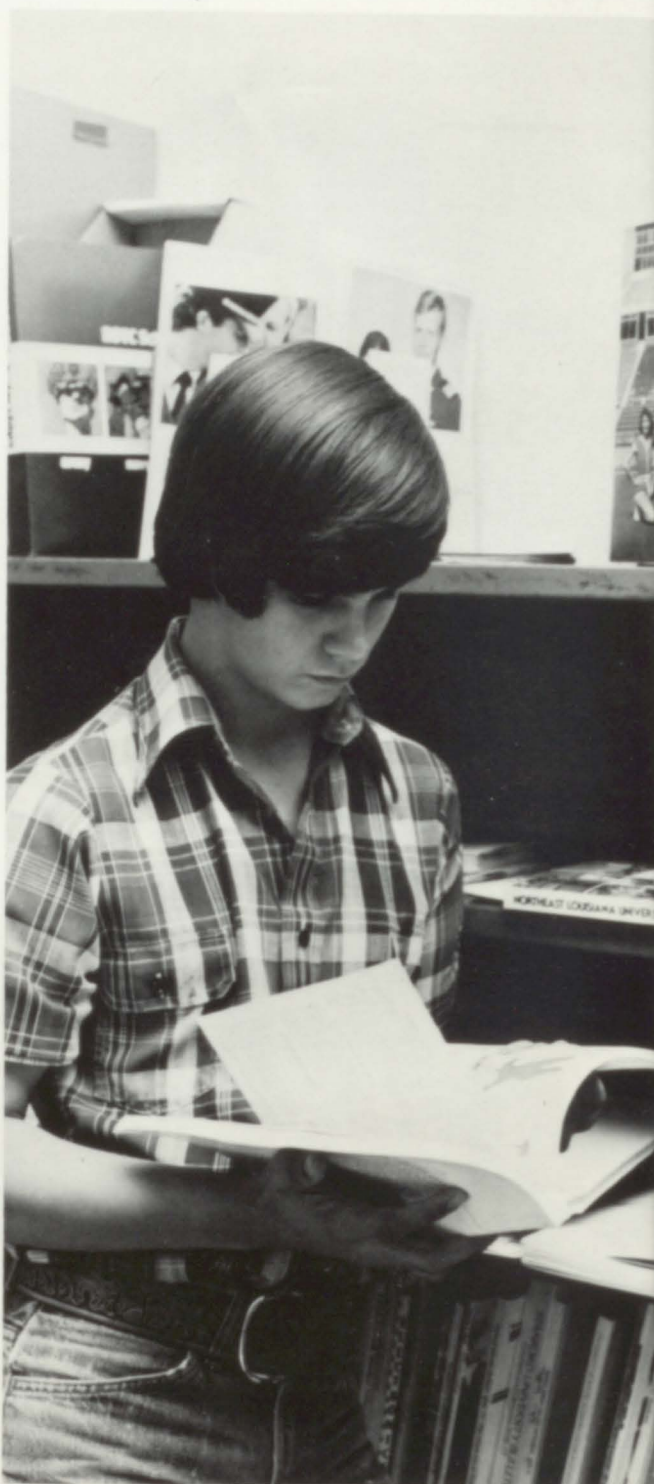

Those who have experienced the loyalty, sportsmanship, pride and devotion of Knighthood realize the importance these qualities play in everyday life. They are all a part of the Woodlawn tradition. This tradition plays a vital role in life at the Castle, providing opportunities for all students. The Knights continue to rise to the standards of years past and meet the challenges of today.

The Knights also realize that their time is now. They must work, play and fight today, for tomorrow is not yet theirs and yesterday is theirs no more.

INSTRUCTION

SECTION EDITORS: Cheryl Dring and Melinda Kay

1. Mr. Cook's busy schedule permits an occasional walk through the quadrangle. 2. Mr. Cook, one of Woodlawn's most loyal fans, congratulates Knights after the quarter-final victory over Lee High.

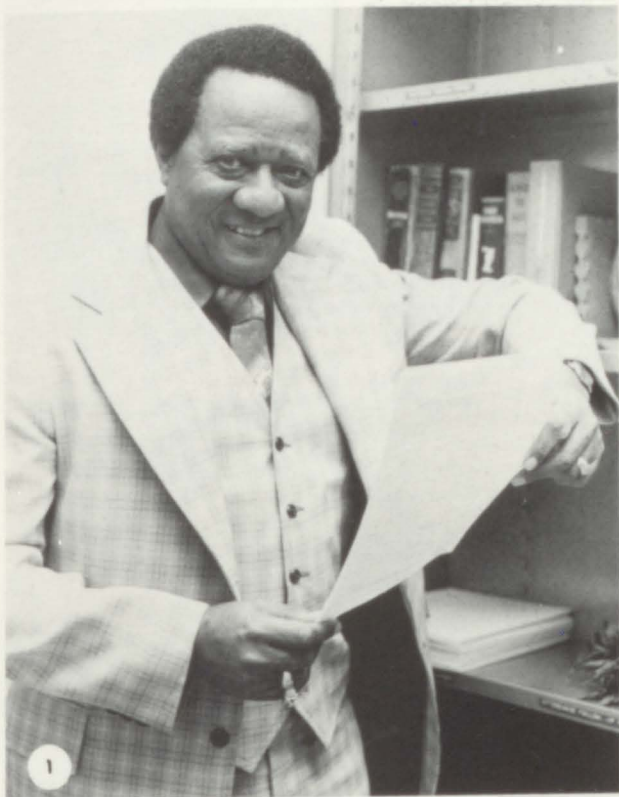

OPPOSITE PAGE: 1. Mr. Green works closely with teachers and the problems of classroom discipline. 2. Mrs. Pugh leaves her office daily to observe classroom situations. 3. Mr. Holman makes good use of his spare time, a rarity between discipline problems.

Administrators Run the Show

Keeping the many areas at WHS running smoothly, the administrators had a very full year. Mr. Cook, as the Castle's mentor, worked with the assistant principals in guiding the course of the year. Mrs. Pugh counseled teachers in instruction, while Mr. Green and Mr. Holman handled administra-

tive and disciplinary duties. Their help proved invaluable to both teachers and students as they made themselves available whenever needed to insure the efficient running of the educational process at Woodlawn. Their dedication made the school year more rewarding.

For the past nine years Mrs. Mildred Byrd Pugh has provided guidance for teachers and students as Assistant Principal of Instruction at Woodlawn. Mrs. Pugh retired this year after serving Caddo Parish Schools for 25 years.

The 1979 ACCOLADE Staffs wish to extend appreciation to Mrs. Pugh for her years of dedicated service.

An important part of the Woodlawn faculty, the counselors had a busy year with their many responsibilities. As freshman counselor, Mr. Gilliam helped new students get acquainted with ways at the Castle. Sophomore counselor, Mrs. Hudson, spent much of her time working out schedule problems. Mrs. Skinner's duties as junior counselor included administering college preparatory tests, while senior counselor, Miss Loper, aided students in college choices and applications. Their guidance proved invaluable to the Knights.

Librarians and Secretaries Add Extra Dimension

Many of the duties performed by both the librarians and secretaries helped to lighten the load of teachers and administrators. The librarians aided students by providing a warm atmosphere in which they felt comfortable to study and research interesting topics. Filing, typing, and keeping the books in order were some of the many duties performed by the WHS secretaries.

English Encourages Self-Expression

English provided an outlook for creative students at WHS. They were encouraged to express personal feelings through creative writings such as themes and research papers. They gained a working knowledge of the structure and usage of the English language. Students could choose from such courses as English, speech, reading, and journalism.

Widen Perspectives

The curriculum at Woodlawn provided a wide selection in the field of foreign languages. French, Spanish, and German were all offered as electives. Interested students were given insight into the people and customs of other countries as well as a knowledge of the structure of the language they studied. Those students who planned future study of a second language were given a solid base for continued study while others found that their understanding of English was enhanced by the comparison of two languages.

Social Studies

The areas covered by Social Studies were as varied as the students at Woodlawn. They ranged from sociology and psychology to American history and free enterprise. By studying the past in relationship to the present, it is often possible to steer the course of the future. The students and teachers at the Castle worked toward this goal making their endeavors even more important to the education of all the students.

Science and Math Open New Doors

The precision of mathematics has its practical application in the ever-changing world of science. To delve the mysteries of science was the challenge of the students taking physics, chemistry, and biology. These students used algebra, geometry, and advanced math to develop their power of logic and reasoning. To gain an overall knowledge of the world about them, some students took general math and general science.

Physical Education Encourages Health and Fitness

Physical Education remains very much a part of a well-rounded education. Realizing this importance, the faculty at Woodlawn supported many extra-curricular activities dealing with sports. A girls' track team, under the coaching of Mrs. Williamson, was added to provide a way for more students to participate in sports. Together with the physical education instructors, other teachers helped to shape the well-rounded student that is the goal of WHS.

Arts Provide a Means for Self-Expression

The esthetic as well as the academic side of life is given consideration at the Castle. The practical forms of art are offered for study as are the most classical forms. While many students participated in these courses purely for enjoyment, others with professional aspirations in the arts gained invaluable experience.

Business Students Gain Saleable Skills

Typing, bookkeeping, and shorthand were three of the many business courses offered to Woodlawn students. These and other subjects enabled many to learn useful skills and establish a background of business techniques. A solid education in the fundamentals of business was helpful in preparing students to become members of the business world.

Vocational Courses

Vocational electives that were offered students extended their areas of learning. They obtained useful experience for their extension of ability which would be useful in everyday life and future occupations.

Home Economics and Home and Family Living helped students become better members of their present and future homes. Emphasis was placed on consumer buying, family finance, and home furnishings. Mechanical drawing presented an opportunity for students to explore a general study of basic drafting. Classroom theory was applied as students studied job opportunities in the small gas engines and woodworking classes.

In Dixie parade, the band members always showed pride and determination in spite of its small number.

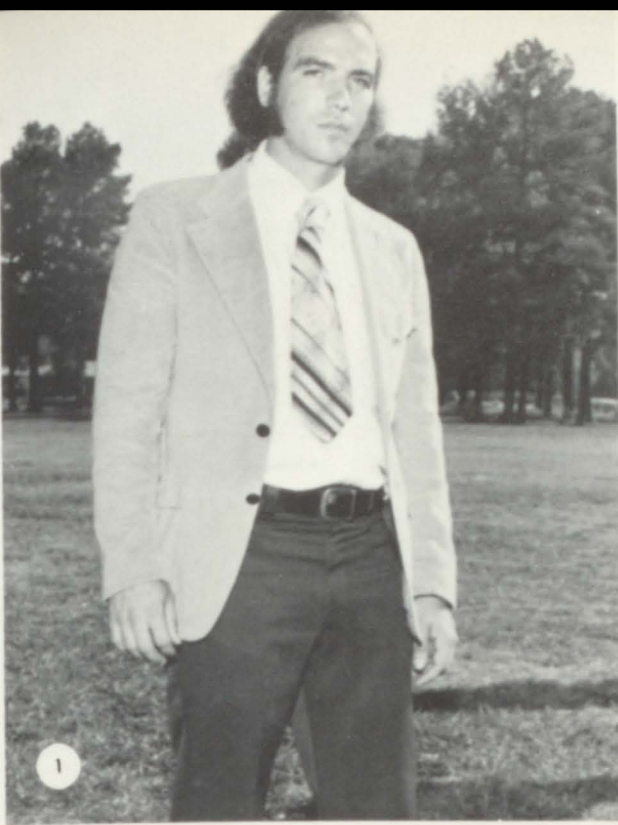

Fund raising projects such as selling candy, coloring books, household products, and car wash tickets to finance the year's activities. The Band Parents' Club also assisted in these endeavors. Adding variety was the football game against the band of our arch rival, Southwood.

Spirit and enthusiasm played a major role in capturing the National Cheerleading Association Spirit Stick. Their vivacious Knight spirit also helped them win First Place and a Most Spirited Squad plaque after attending a cheerleading clinic at Centenary.

Keeping the crowds fired up at games and pep rallies was the main responsibility of the cheerleaders. Judging from response and crowd participation, they did an excellent job.

True Knight spirit and creativity were demonstrated by the Lancerettes this year, who were sponsored by Mrs. Carolyn Smith. For the first time in years, Knight fans were privileged to see many different formations performed on the field by the Lancerettes under the leadership of Colonel Becky Pennington. Among those seen were the shield, WHS KNIGHTS, and BIG RED.

During June the officers attended a marching workshop at LSU in Baton Rouge, chaperoned by Lancerette mothers Mrs. Carolyn Moore, Mrs. Oneda Wood, and Mrs. Dolores Hughes. The officers also worked very hard making posters and drawing formations for performances. All this contributed to making the pepsters a really close-knit group who shared many exciting memories.

Coach Ludley

Coach Shelby

Head Coach Lowell Morrison, leading the mighty Knights once again into the 1-A AAAA playoffs, took leave this year but left his mark at the Castle. During his five years as head mentor, Morrison received the Coach of the Year award twice.

Defensive coordinator Coach Ken Ivy did a superior job with the Big Red defense and further boosted the Knights with his exuberance during every game.

A former NFL draft pick, third-year assistant coach John Dilworth incorporated

his playing experience and game knowledge in coaching the defensive backs.

The newest addition to the Knights' coaching staff was Doug Robinson. Formerly head coach at Southfield, Coach Robinson became a vital asset to the Knights' program.

Receivers were under the guidance of Coach Shealy Shelby in his ninth year of coaching the Knights.

During his ninth season as defensive line coach, Thomas Ludley continued to keep the Big Red defense alive and well.

The 1978 year was indeed a storybook season that earned the underrated Knights the nickname of the "Rags to Riches" team and the "Cinderella Knights."

As the season opened with three straight losses, the Knights could only hope to come out "staying alive." However, happy endings as in other great tales became nonfiction for Woodlawn, conquering nine of the next ten opponents and a berth in the state playoffs.

The first three playoff games were symbolic of the magic season as the Knights defeated Natchitoches, Lake Charles, and Lee High of Baton Rouge. In each of these games the team came back to win after half-time deficits. Nevertheless, the clock struck twelve for the Cinderella Knights on December 8 as bad weather, poor field conditions and injuries dealt the team their final loss; but it was a defeat overshadowed by many sweet victories. Once again, Woodlawn's pride turned seemingly insurmountable odds into a stepping stone.

Woodlawn staged its first playoff victory coming back after a 7-0 halftime deficit to annihilate the Chiefs 28-7. Kevin Guerrero sparkled that night passing for three touchdowns and running for another. Coach Ivy's defense held the District 2-AAAA champs to 56 yards total offense and a scoreless second half. The offensive line blew holes in the Chief's defense despite the loss of Duke Frazier to a knee injury.

With a first and goal situation for Lake Charles, the game was looking dim for the Knights, but the Big Red Machine held fast and then turned the ball over to Lowell's Offensive Army. After a quick prayer and a fake punt, the Knights put the Cats away and advanced to the quarterfinals to face Lee High of Baton Rouge.

WHS 7

Jesuit-N.O. 35

The Lee High Rebels were undefeated when they arrived in Shreveport boasting a record of 11-0, but the Knights changed all that. Being behind at the half once again gave Woodlawn the spark they needed rallying with four touchdowns in the second half, two of those by fullback Rusty Funk. The Knight defense, without senior linebacker Mike Smith, switched into a 5-3 defense which proved more than adequate.

WHS just couldn't get going as Jesuit handed the Knights their final loss of the season. Defensive efforts proved inadequate against the Bluejays' tough wishbone offense. The only touchdown of the night for Woodlawn came on a quick pass to All-Starter Jimmy Blackwell. A long and thrilling season left the Knights with a 9-5 record. It also made them one of the last four teams in the state to put away their gear.

Squires Pace Woodlawn to Playoffs

The 1979 Roundballers of Woodlawn finished the season with an impressive 31-5 record. More impressive, however, was the fact that four juniors and only one senior constructed the starting lineup.

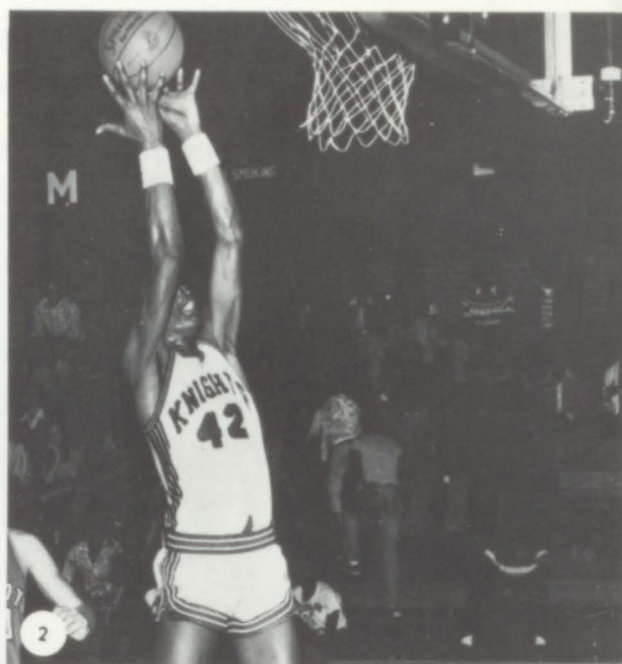

The Woodlawn Knights dunked nine out of ten district opponents, quickly securing a place in the playoffs and the district championship.

With the loss of three starting seniors early in the season, the Knights quickly filled in the empty spaces. The remaining Knights carried Woodlawn to another title.

Fulfilling the coaching position was Melvin Russell, a dedicated leader and a fine example. Admired by his players, he led the Knights to another title and another successful season in another great sport.

1. Roderick Lott goes up for a 'sure' two points. 2. Big Keith Grant dominated under the Knight goal. 3. Melvin Youngblood beats an opponent for an early layup.

Knights had another struggling year on the diamond with a 9-10-1 overall record, four of those wins and six losses coming in district. Though the Knights possessed a great amount of talent, they also experienced much bad luck. Adding to the Knights' trouble this year, Woodlawn played several games in rainy and cold weather.

WHS diamondmen gained a few new features this year which included new uniforms and a pitching machine, purchased by the WHS Booster Club.

Quite a few players were batting over the 300 mark this year, including junior first baseman, Chuck Williamson, our sole All-District Knight for '78.

To be accepted into Z Club, members were required to maintain a 2.75 grade point average and be willing to give time freely to help others.

Summer Work Pays Off for Accolade

Hard work throughout the summer and this school year described the 1978-79 ACCOLADE Ad Staff.

Guided by their sponsor Mrs. Jeanette Collins, members sold ads, kept track of finances, and sold and delivered the 1979 ACCOLADE.

Knights truly appreciated the ACCOLADE Ad Staff's hard work and dedication.

Accomplishing the task of selling the most ads were Delane Dean and David Weinell.

Once again the Herald Ad Staffers provided the financial backing for publication of an informative newspaper for Knight readers. Members spent much time and hard work to accomplish their goal.

Jobs maintained by the staff consisted of selling ads throughout the summer, keeping up with bills, drawing layouts for ad sections and frequently making trips to the printer.

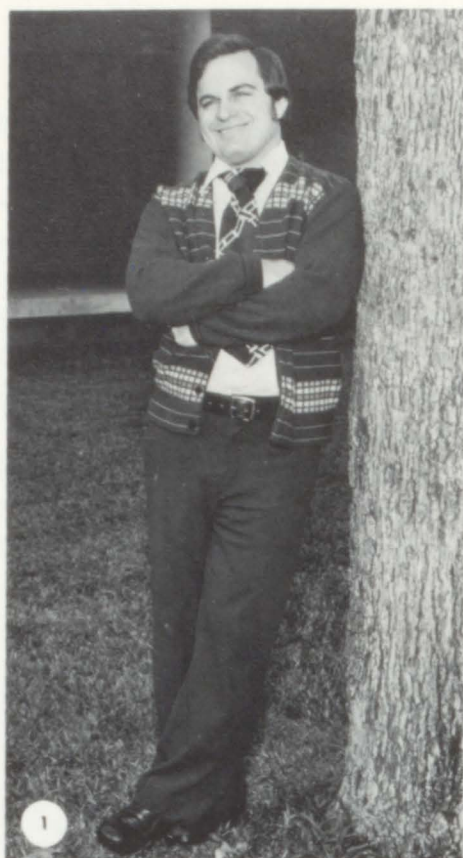

In addition to working with ads, they helped promote spirit by painting posters for almost every game. Leading the staff to a rewarding year was their sponsor Mrs. Susan Robinson.

Award-Winning Tradition

The twenty-two member staff of the 1978-79 HERALD combined all efforts to communicate news and promote school spirit in interesting ways. With the support of their new sponsor, Mr. Rodney Chandler, the staff diligently worked to meet every deadline.

Besides working on the actual paper, the staffers had a variety of other jobs. To become a member of the staff, students were required to sell \$125 in advertising. They also had the enjoyment of selling the finished product each month.

Many of the members attended Journalism Day at NSU in Natchitoches and several went to a summer conference in South Carolina. All of their hard work was rewarded when this year the 1978 HERALD received a first-class rating from the Southern Scholastic Press Association.

Among their most important projects were face painting at South Park Mall, helping the Muscular Dystrophy Association, presenting a program at a School Board meeting on publicity for distributive education, acknowledging free enterprise with Free Enterprise Week, and for a little pleasure, members participated in the city bike-a-thon on Clyde Fant Parkway. Highlighting the installation of new members and officers was the attendance of Mr. J. W. Cook and Director of Vocational Education Mr. Don Fritz. Junior Medical League's motto "Service to Others" was the guideline for members this year. Through volunteer work at Willis Knighton Hospital and nursing home visitation, JML members gained first-hand knowledge of occupations in medical-related fields. This experience helped prepare students to make meaningful career choices. By working closely with members of the medical profession, students were exposed to the day-to-day workings of health services, giving them an opportunity to take part in public service.

Top Choirs Increase Repertoire

Entertainment and achievement described all choirs for the 1978-79 year. The choral department had four different musical ensembles — A cappella Choir, Chamber Choir, Bass-Tenor Choir, and Alto-Soprano Choir.

Each ensemble worked diligently all year hoping to achieve a first division rating at all choir festivals attended. One such festival was the one held at Grambling in February.

For receiving a first division rating at District Festival, all choirs were invited to attend the Six Flags Invitational held at Six Flags Over Texas in the spring. Members sold extra large coloring books to raise money for the cost of the trip.

Mr. Orlando Moss supervised and directed all activities and rehearsals of all choirs. In doing so he completed his eighth year as choir director at Woodlawn.

ROTC INSTRUCTORS: Sgt. Floyd Courtade and Sgt. Elbert Roberson

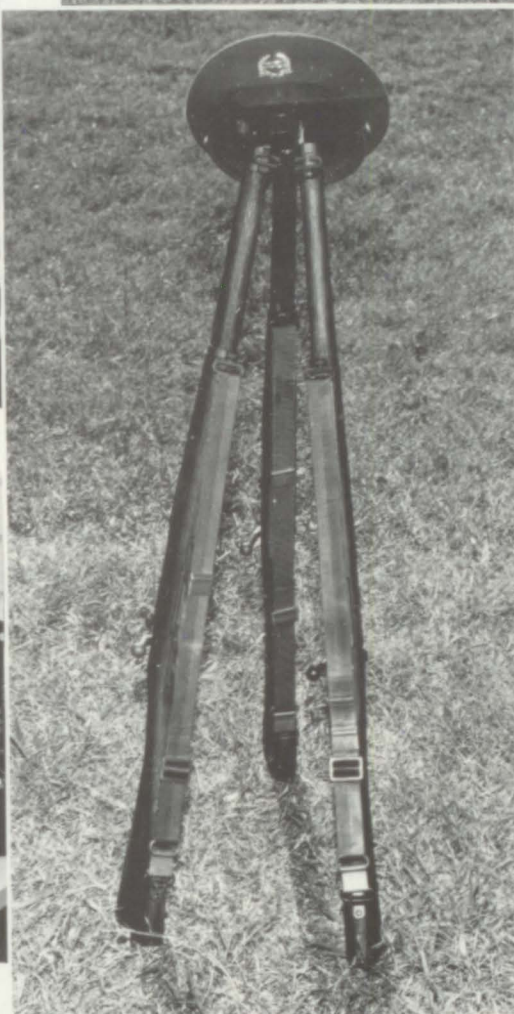

Training young men and women in the principles of leadership, self-discipline, and patriotism was the aim of the ROTC program. With the much appreciated help of instructors Sgt. Courtade and Sgt. Roberson, the cadet officers strove to fulfill this aim along with introducing the new cadets to a system of organization similar to an active army unit.

Participation in such extra-curricular activities as the Lancer Drill Team, Rifle Team, Orienteering Team, Color Guard, and Bagpipe Band provided a wide variety of enjoyment and a sense of achievement and satisfaction for each cadet.

Five Castle Ladies Become

Revolving around the theme "Ladies of the Castle" and supported by weeks of preparation and hard work by Key Clubbers, this year's Girl of My Dreams Pageant proved to be most successful. Under the direction of Mr. Floyd Byrd, the Key Club's new faculty sponsor, the pageant was held February 1 and 3.

Sponsoring clubs and homerooms permitted 86 girls to compete in the preliminaries. On the final night of the pageant 22 semi-finalists vied for the title of Girl of My Dreams.

Crowned 1979 Girl of My Dreams was Denise Vinson, a sophomore. Melodie Moore was chosen first runner-up with Susan Primrose, Carole Davison, and Lasoyna Pinkney as second, third, and fourth runners-up, respectively.

In addition to being a traditional highlight of the school year, the proceeds of the annual beauty pageant allowed the Key Club to contribute to the betterment of our community.

Lives On

Since medieval times the Knight has been a symbol of honor, loyalty, and chivalry. When the Knight proved that these things were a part of his life, he was ready to accept the Accolade, the final step into knighthood.

Woodlawn, once a year, relives the tradition that its own legend evolves around. The annual Accolade Pageant is presented as a reminder to the students and faculty that these qualities are as important today as they were then and must be upheld to preserve the legend that is Woodlawn.

Dear Teenager,

Why walk alone? I want to introduce you to two friends who love you and want you. The first is Jesus! He died a sinner's death on Calvary's cross for you. He wants you to accept Him as your personal Saviour and spend eternity with Him in Heaven. If you do, He promises never to leave you or forsake you! What a Friend!

I also want you to meet Calvary Baptist Church. It truly is a friend to teenagers. Shreveport's most aggressive youth program is here and you can find many opportunities to grow and serve. Jesus Christ and Calvary Baptist Church love you and want you.

Western Electric

To manufacture 50 million telephones in 11 years is no small feat. But, it didn't just happen. This accomplishment was the result of the dedicated efforts of the outstanding group of people who make up our work force. It is these people who made it possible. The Shreveport Works has done its job well because it gets and holds good people. Some of them, no doubt, attended Woodlawn High School. Western Electric is well aware of the fine job being done by the educational institutions in this area. These schools, and schools like them throughout the nation, have provided the educated and skilled people who make the Bell System work.

In Memoriam . . .

Mr. Archie Booth
July 2, 1923 —
September 28, 1978

As the completion of the yearbook finally draws to a close, I would like to take this time to thank those who have made this yearbook possible.

I am grateful to Mrs. Elaine White and Miss Linda Loper for their encouragement, Mrs. Jeanette Collins, our business advisor, Heritage House of Photography, and finally to the staffs for doing a great job.

As you look back through your 1979 yearbook, we hope that you will remember with pride the lessons you have learned at the Castle and with pride cherish your memories of Woodlawn.

Tomorrow . . .

Though the 1979 school year is now a memory, the experience and knowledge students have gained at the Castle remain with them throughout their lives. Woodlawn instilled in the students the pride of being a Knight and helped them come to the realization that "Knight Time" is the right time and will always be.

A Time to Begin Again

In Appreciation

The Knights would like to extend gratitude and appreciation to former mayor Calhoun Allen, former state representative Joe D. Waggoner, Jr., and former school board member Betty Bullock.

Allen, whose 16 year term of public service ended last November, is well remembered for his programs to improve our community. He supported the improvement of the city's water supply and sewer system and the expansion of State Fair Stadium.

Completing his 27th year as Louisiana State Representative, Joe Waggoner has

well represented our state in the U.S. Congress. He has contributed much to the betterment of Louisiana's people and society.

Retiring from her position as a school board member from the WHS area Betty Bullock's friendship and loyalty to Woodlawn has been a great help in the betterment of Woodlawn and other schools in this district.

In light of these three people's accomplishments, we the students, administration, and faculty of Woodlawn High School wish to commend these outstanding people upon their retirement and wish them well in their future endeavors.

Martha, I will it's hard to believe it's almost over. Hope you have something out of Love always Martha, want to see you soon. Love always, Barbara
